PRINTMAKING PROPOSAL

Supplementary Materials - March 2024

As part of the room move in Leesburg, Printmaking will be getting a slightly larger room and more wall space. Almost all of their furniture will be made from donated materials, so this proposal is comprised of tools & supplies to broaden the scope of what members can achieve in this new studio.

In addition to a couple of larger tools, we are also asking for a number of small tools and supplies, to supplement what has already been donated, to teach a variety of classes in relief printing, screen printing and more.

First & foremost is the Ritualis Press. Will be primarily for linocut printing

- It can also be repurposed as a bookpress and plant press.
- The Ritualis has a printable area of 12.6" x 17.4". With this size, it can accommodate t-shirts, cloth bags, flags, & other fabric as well as paper for prints.

Current Price:

\$409 + \$20 S&H = \$429

[Ritualis Press - A3 - Linocut Press](#)

Second, is TWO 8" x 10" Gelli Plates

- They can be used for layered ink transfers in paper printmaking and collage.
- It is very easy and fun to use and will be featured in some of our all-ages classes.

Current Price:

\$30.61 x 2 + FREE S&H = \$61.22

Potential Classes Will Include:

- Intro to Screen Printing Without Emulsion..... \$60
- Oversized Poster-making Using Multiple Printing Techniques... \$60
- Making Woodblocks for Relief Printing Using the Lasercutter... \$40
- Making Linocut blocks for Relief Printing Using Hand Tools..... \$40
