

Application for Subsidized Membership

The Makersmiths subsidized membership program is setup to allow access to the space to those that would not otherwise have the means to become full members. We are looking for members that have special skills they want to share, entrepreneurs that are starting a company, and anyone else interested.

Have you ever been a paid member of Makersmiths? *

No ▼

What is the most you can contribute towards a reduced membership? *

\$0.00 ▼

Please tell us why you are asking Makersmiths to waive all or part of your monthly membership fee *

I'm on Social Security Disability and would like to participate in exchange for service. Allon suggested to make the space in Leesburg more open & more often to members. I live less than a mile away and can be available about 20 hrs/week. I've also worked for a master carpenter for 3 years, and for 1000 oak barrels in Manassas, VA. I'm knowledgeable about wood crafts, lasers, and sewing.

As part of the subsidized membership we are asking for recipients to contribute to the community.

How do you think you can best contribute *

- Volunteer time
- Teach Classes
- Donate Equipment
- Other (Please Explain in Notes)

When are you asking for your 3 month membership to begin? *

MM DD YYYY

09 / 01 / 2019

Notes and other things of interest

I've been "associated" with HacDC and Nova Labs for over 15 years. And Maker Tech at 3D Metal Parts for about 10 years. I'm most comfortable with teaching "any" sewing projects and simple (decks, houses & sheds) wood projects.
