Meeting

- **Introduce New Members! A large handful joined in December!!**
- **Host Comments - Jessee M filling in:**
 - Events - go to #marketing in Slack
 - MagFest in January - We have hit our max number of volunteers and now need help prepping for the event. Jessee will be putting up a to-do list soon in the #volunteers_needed channel
 - All Socials have been **cancelled for 2024**
 - New Equipment
 - New - Nova 51 & 24 Laser Cutters are running beautifully and Rotary Classes are coming very soon! The holiday season took over and we got a little behind. Advanced Classes show up here and there.
 - New & Coming Soon
 - MS-L Metal Shop is undergoing a transformation right now, and I highly recommend taking a look!
 - the Leesburg Committee and stewards are meeting next week to discuss some major changes in room placements and more. Currently we are looking to move/switch around the classroom, 3d printing, electronics, cosplay and printmaking to better accommodate each ones needs. Meeting notes will be posted on the wiki afterwards.
 - The Purcellville craft and laser room has been undergoing changes as well! Jennifer and Ken even held a stained glass class there this past weekend.
 - Transferred - the Universal Laser has been temporally moved to the lower building in Purcellville. Please see the #lasercutter channel for more information about precautions and such when using it. Please remember this is a temporary placement and we will eventually be selling it.
- **Education News** (Diane Painter will not be joining us tonight)
 - No news for educational initiatives other than 3 KidWind teams are meeting now once a week with guidance from four coaches.
- **Membership Report**
 - 323 members (up by 1 from last month), 25 new members in last 30 days and 7 new members in last 7 days.

- **Finances** (John Dubelko is out of the country)
- **Board Report**
 - Board approved:
 - Buying four licenses of Fusion 360
 - Terminating the maintenance committee
 - The 2024 Operating budget
- **Committees**

Committee	Chairperson	Notes
Membership	Mark Millsap	
Marketing	Jason Gilligan	<ul style="list-style-type: none"> • MAGFest registration coming along well; so far we have: <ul style="list-style-type: none"> ◦ 16 volunteers ◦ 2 panels ◦ 2 activities • Annual membership survey will be conducted later in 2024, targeting June through August so that results are ready by October 2024 for planning purposes • AwesomeCon Has opened up applications for their non-profit booths. Does anyone want to do this?
Website	Maggie Toth	
Leesburg Facility	Jessee Maloney	<ul style="list-style-type: none"> • The Leesburg committee will be meeting Tuesday, Jan 9th at 6pm to discuss some possible changes in room placements. • We have gone around asking members who use each room we are looking to move about what they think, and are open to hear suggestions ahead of time as well. You can send through SLACK to Jessee • We will also be adding a suggestion box to the Leesburg location in the coming week.
Purcellville Facility	Dave Painter	<ul style="list-style-type: none"> • Red Tool Classes at MSP for woodworking and metal shop are on the calendar through July. Let Diane or Dave know if you have an urgent need for RT training and classes fill up. They will try to work something out. • Monthly workday this Saturday 9am until ??
Scheduling	Jennifer Chu	
Newsletter	Melissa Kowalski	<ul style="list-style-type: none"> • Melissa is ALWAYS looking for stories and photos for the newsletter! It doesn't have to be perfect, she is totally fine editing it all to make it fit.
Information Technology	Scott Silvers	<ul style="list-style-type: none"> • Some new computers coming soon. Fusion360 licensed versions will be available soon.
Maintenance	Dave Painter	NO LONGER A COMMITTEE and will not be on next months list

- **Stewards**

Room /Machine		Location (s)	Notes
Purcellville Facility	Dave Painter	Purcellville	<ul style="list-style-type: none"> • Dave worked on the table saw at MSP last night and replaced bearings but the table needs tweaking. That is why the out of commission sign is still on it.

Leesburg Facility	Jessee Maloney	Leesburg	<ul style="list-style-type: none"> There will be a workday this month! Finally! Saturday, Jan 13th 9-2pm. Jessee will be hosting the first half, and ken will be there for the second half. A to-do list will be added to the Leesburg SLACK channel after the Leesburg committee meeting on Tuesday. We are still waiting on an electrician to come and set up a dedicated plug for the Roland UV Printer in the main room on the back right wall. Once it's installed, the Roland will be moved to it's new, hopefully permanent, home. We would like to hang displays/samples when that happens as well, so if you have any you would like to donate, please let Jessee or John Carter know. Member Storage is in a temporary state of change and will be eventually moving. Thank you to everyone who removed items that did not belong in there. HOWEVER, please stop adding to the room. We do not have enough volunteers to complete the project this month, but don't want more work for next month. Please also keep the door closed and do not leave projects in progress in there. The area around the new laser is also in a state of constant change! Please be patient with us while we figure things out. Jessee would like to thank Tami S. and her two daughters for all of the hard work they put into the Leesburg location this past week and a half! They painted, rehung stuff on the pegboard, wiped EVERYTHING down and more! I think they may be tied with Alisha for hours spent cleaning Leesburg this past month. There is a large piece of plywood that was left on the front porch. is it yours?
3D Printing	Scott Silvers	Leesburg & Purcellville	<ul style="list-style-type: none"> TWO NEW 3D Printing trainers coming soon, so expect more classes New Saturn 3 Ultra 12k Resin Printer was ordered and is being tested. Classes will go live soon Looking for teachers for the Resin Printing classes, MUST have prior experience with maintaining and using a resin printer
