

Becoming a Member

Makersmiths is a member based, non-profit organization. Getting more information and becoming a member is easy.

Step 1 - Get to know us

- Come by the space during one of our open house events - all events are posted here: <https://makersmiths.org/events>
- Register for a class - you don't have to be a member to take many of our classes - all classes are posted here: <https://makersmiths.org/events>.
- Sign up to receive notifications of events and classes without becoming a member here: https://makersmiths.org/Newsletter_Event_Notifications
- Drive by the Leesburg location and if you see a green light on the stop light in the window, it means a member is in the space.
- Drive by the Purcellville location and if the gate is open, drive past the lower building and up the hill to the upper building. If you see cars parked at the upper building, a member is in the space. (Note that the Town of Purcellville also uses the land around Makersmiths so it is possible that the gate is open, but no members are present.

Step 2 - Join us

- Join us! There are three types of membership you can register for through the Makersmiths.org. All details are on the Join Us page here: makersmiths.org/join-us

Step 3 - Attend a New Member Orientation

- Attend the [New member orientation](#) to make full use of our space, the tools and materials available!
