

2018-09-26 Meeting of the Board of the Directors - Agenda/Minutes

Time and Location:

September 26, 2018 at 7:00PM at 106 Royal Street NE, Leesburg, VA

Consent Agenda

Newly proposed agenda items appear in the consent agenda. Any member present at the meeting may pull an item out of the consent agenda for discussion, at which point it goes under "New Business". If nobody objects to the solutions presented by the consent agenda, everything in the consent agenda passes by consensus. Items that have more than one proposed solution should be moved to the "New Business" section.

Any member may edit this wiki page and place an item on the agenda. However, discussion of agenda items should be done via Slack. The cut-off time for addition to or revision of the consent agenda items is 48 hours prior to the meeting. Please note, agenda items (Consent, New, or Old) that request spending \$250 or more must include a section on "Relevance to our tax exempt purpose".

CA1 Reschedule October 31st Board Meeting ([user-6b8d4](#))

Problem: The October meeting of the Board of Directors is currently scheduled for October 31st, Halloween night.

Solution: Reschedule October meeting of the Board of Directors to Wednesday October 24th.

Relevance to our tax exempt status: None

Motion: Reschedule October meeting of the Board of Directors to from Wednesday, October 31st to Wednesday, October 24th at 7:00PM at 106 Royal Street NE, Leesburg, VA.

CA2 Approval for expenses related to obtaining HHMI donations for Makersmiths-Purcellville ([David Painter](#))

Problem: Need to pick up HHMI donated items: couple of 80/20 tables, several commercial light poles, leather office chairs. Items won't fit in a pick-up. Need to rent box truck, estimated to cost \$100 or less. Pick up needs to be done before October 13th.

Solution: Approve consent item to authorize Dave Painter to rent box truck to obtain donated items.

Relevance to our tax exempt status: None

Motion: Motion to approve authorization for Dave Painter to rent box truck to obtain donated items at a cost of \$100 or less.

CA3 Approval for expenses related to obtaining Digital Barriers donations for Makersmiths ([Brad Hess](#))

Problem: We may need to act quickly before the next board meeting to move a tormach and CNC router from Ashburn to Purcellville. This would require the rental of a rollback truck and driver for several hours. Estimate is between 200-500 depending upon when it is and how we use.

Solution: Approve consent item to authorize Brad Hess to facilitate a moving truck to obtain donated items.

Relevance to our tax exempt status: None

Motion: Motion to approve authorization for Brad Hess to facilitate a truck to obtain donated items at a cost of \$500 or less.

Meeting Notes: There was discussion about the tormach, and HHMI donations and the benefit to the space. Vote passes with no objections.

NB1 Designation of Red / Yellow / Green Tools (Mark R Millsap)

Problem: None of the tools in either makerspace are labeled, painted, etched, or otherwise visually identified as to which category of tool designation they belong to. This is leading to uncertainty as to application of rules to tool usage. All tools need to be visually painted and/or labeled as to category of tool they belong to; red, yellow or green.

Solution: Label each and every tool as to category of red, yellow or green tool.

Relevance to our tax exempt status: None

Proposed Motion: I motion that the Board require room stewards (or facility manager if no room steward exists) to paint or label each and every tool as to which category of tool it belongs to before Jan 1st 2019.

Motion pass with all in favor.
