Committees

Bylaws and Standi ng Rules	Jon ath an Whi te	• There's a channel #rules-and-bylaws-review where people are welcome to contribute. They'll need a Makersmiths email to access the documents and they can be setup with one pretty quickly. Just join the channel and let Jonathan White know. It won't be an immediate response though. Figuring out how best to have a committee review that's manageable and balanced with getting input from the members.
Finance	Joh n Du bel ko	See above report
Inform ation Techno logy	Sco tt Silv ers	• None
Leesbu rg Facility	Jes see Mal oney	 The Room Switch-A-Roo is still happening and in full swing! We need as many hands on deck during odd times throughout April & May. Please contact Jessee if you would like to work on projects that include woodworking, building and the cnc! Things are finally settling in the main room! Electrician installed all the new necessary plugs and all the equipment is finally in its new home in the room. We appreciate your patience during this time.
Marketi ng	Jas on Gilli gan	Marketing is looking for help running the Leesburg Flower and Garden festival coming up soon! Marketing is looking for help running the Leesburg Flower and Garden festival coming up soon! FESTIVAL Indicated Augustines Indicated Augustine
Membe rship	Mar k Mill sap	See above for brief and attached for the full report.
Newsle tter	Mel issa Ko wal ski	 Melissa is ALWAYS looking for stories and photos for the newsletter! It doesn't have to be perfect, she is totally fine editing it all to make it fit. She is also looking for volunteers to help hunt down stories and photos! More hands equals less work all around.

Purcell ville Facility	Dav e Pai nter	 The Bridgeport that was moved from Leesburg to Purcellville is almost ready for use! Have you seen photos of it on SLACK? Dave Painter will be unavailable for classes or helping with projects for a while. Ian Schue will host the work day at MSP on Saturday. 					
Scheduling	Jen nife r Chu	O32024_Boeport.pdf Tim Cotter has been working on a new system to make sure members get the classes they need. He has put together a presentation to show more about the Notify Me system: O40324_Mer Mtg.pdf Please DM Diane Painter on the Scheduling Committee if you are interested in taking the lead on a family-friendly workshop this summer. In the past we have had electronic and soldering, Tinkercad, Arduino workshops- just as a few examples. What kind of classes would everyone like to see? message Diane Painter with your ideas!					
Website	Ma ggi e Toth	website is always looking for help! contact Maggie if you are interested.					

• Stewards

Room/Machine	Steward(s)	Locatio n(s)	Notes
Purcellville Facility	Dave Painter	Purcellv ille	Next workday is Saturday, April 6th starting at 9am
Leesburg Facility	Jessee Maloney	Leesbu rg	Next workday is Saturday, April 13th 9am-2pm (or later!)
3D Printing	Scott Silvers	Leesbu rg & Purcellv ille	We will be building new tables in the Leesburg 3D printing room during the next workday and could use a lot of help moving things around and cutting things on the CNC. If you are interested in helping out with this, please contact Jessee! Scott is out for recovery from surgery until the end of the month
Arts, Crafts & Stained Class Area in Purcellville	Ken Fuentecilla & Dawn Martin	Purcellv ille Lower Building	
Arts, Crafts & Sewing Area in Leesburg	Jessee Maloney	Leesbu rg	The Leesburg Arts, Craft & Sewing area is looking for a co-steward or main steward! Sewing classes taught by Amy Copley coming super soon! Amy has started holding sewing socials in Purcellville on different Wednesdays! Check the calendar for more info.
Big Red CNC	Brass Hess & Jonathan White	Leesbu rg	It's behaving!

Big Blue	Jonathan White	Purcellv ille	
Blacksmithing	Adam "Squirrl" McClintock & Jim Waldron	Purcellv ille Lower Building	The weather is getting slightly warmer, so keep an eye out for classes soon
Blast/Paint/ Powder Coating	Evin Grano	Purcellv ille	 Evin will be teaching regularly scheduled classes this month and next! If you ever wanted to learn about Sandblasting, powder Coating and more, now is the time. Leesburg classes will be coming soon
Ceramics	Bo Wernick	Purcellv ille Lower Building	 The kiln has run 3 times in March so all pots that were in the que are ready for pickup or glaze We have an extruder that works great. Feel free to give it a go next time you're in, but be advised its a lot of cleanup. I am planning a beginner wheel class and a balloon/coil pot class for late April. I would like a list of interested people. Please contact scheduling if interested! @Kate Amstutz has offered to teach an intermediate/advanced wheel class. Bo would like a list of interested people for that as well.
Cosplay Area	Maggie & Jason Gilligan	Leesbu rg	 Have you seen the new room?? It's looking amazing! We will need help during the next workday patching up some holes in the walls, painting over the patches and hanging a tv. We are also in need of instructors for cosplay! Are you interested? Cosplay Night is every Thursday in Leesburg 6:30-8:30pm
Electronics	Mark Millsap	Leesbu	 Electronics has been meeting during Electronics night (every other Thursday, the next one is tomorrow night at 7pm) to plan out the new Electronics Room downstairs! Are you interested? Do you have ideas? If so, just show up and participate
Gardening	Mary Waldron & Jennifer Chu	Leesbu rg & Purcellv ille	Contact the stewards if you are interested in assisting at either site!
HP Plotter	Randy Holland (pending board approval)	Purcellv ille	Randy Holland was appointed as Steward at the Feb. board meeting
HVAC Filters	Dean Williamson	Leesbu rg	Dean is always on top of this!
Laser Cutters	John Dubelko & Jessee Maloney & John Carter	Leesbu rg & Purcellv ille	 We are in talks with a buyer for the Universal Laser cutter and it's going well, so if you haven't been trained on the Nova lasers, please do so soon!
Metal Shop in Leesburg & Tormach	Brad Hess	Leesbu rg	 Do you know how to make jewelry? Do you like to do stamped jewelry? Would you like to teach?? If so, please let scheduling know!
Metal Shop in Purcellville	Dave Painter &	Purcellville	
Plasma Cutter	Jim Waldron	Purcellv	

Printmaking	John Carter	Leesbu	 Printmaking classes to commence in late April or early May at MSL New Makersmiths Printmaking Studio to start being built out once the rest of the rooms have successfully switcheroo'd. New equipment is being purchased as part of a proposal put forth to the board in March. We are very excited! Makersmith24 (1).pdf
Purcellville Green Room	OPEN	Purcellv	Needs a Steward!
Purcellville Woodshop	Dave Painter	Purcellv ille	
Snack Area	J Wang	Leesbu rg	•
Sublimation Printer	New Steward: Diane Bollinger	Leesbu rg	 Diane Bollinger was appointed as the new Sublimation Steward in Leesburg! Classes will begin soon! A new Hat Heat Press was purchased and can be used for sublimating, heat transfer vinyl and just attaching patches to hats! It's also great for anything curved. We need help building a shelf under the heat press for the mug press and the hat press to live.
UV Printer	Jessee Maloney & John Carter	Leesbu rg	The UV printer was moved to it's new home on the back wall in Leesburg! Come take a look!
Vacuum Formers	Jessee Maloney	Leesbu rg	
Vinyl Cutter & Cricuts	OPEN	Leesbu rg & Purcellv ille	Needs a Steward! ASAP!
Welding	Jim Waldron & John Johnson	Purcellv ille	
Woodshop in Leesburg	Mike Dewan	Leesbu rg	 Message from Mike Dewan: Please clean up the woodshop when you finish!!! Recent members have left with dust, wood chips, and tools over all surfaces. If the trash can is 2/3 or more full please empty it and place a new trash bag in the can. The woodshop steward does not have cleaning up after you as one of his responsibilities.
Woodturning	Ken Fuentecilla & Bryan Boston	Leesbu	Woodturning's proposal for the board was approved at the last meeting! You can see it at http://wiki.makersmiths.org/display/MAK/2024-03-27+Meeting+of+the+Board+of+Directors and below: Purchasepment.pdf Equipmentg (1).pdf
