Tool Authorization Groups

Below is a list of the tool groups for which we are tracking authorizations. The tool steward(s) are listed next to each tool group, along with the method by which to get authorized to use the tools independently. Please contact the steward for more information about each tool. This list is not exhaustive of the tools available at Makersmiths and will be updated as needed.

Tool Authorization...ization Groups.pdf

Tool Use Fees

See the most recent version of the [Standing Rules](#) for tool and materials usage fees.
