Consent Agenda

Newly proposed agenda items appear in the consent agenda. Any member present at the meeting may pull an item out of the consent agenda for discussion, at which point it goes under "New Business". If nobody objects to the solutions presented by the consent agenda, everything in the consent agenda passes by consensus. Items that have more than one proposed solution should be moved to the "New Business" section.

Any member may edit this wiki page and place an item on the agenda. However, discussion of agenda items should be done via Slack. **The cut-off time for addition to or revision of the consent agenda items is 48 hours prior to the meeting.** Please note, agenda items (Consent, New, or Old) that request spending \$250 or more must include a section on "Relevance to our tax exempt purpose".

CA1 Donation for COVID-19 Support (John Dubelko)

Problem: Current budget does not have directed donations (revenue) and expenses for the the work Makersmiths is doing in response to the COVID-19 pandemic. There are at least two teams working on face masks and face shields. There maybe more efforts as time goes on.

Solution: Create line items for donations and COVID-19 expenses

Relevance to our tax exempt status:

Motion: Create budget line items for donations and COVID-19 expenses. These funds will be supervised by Brad Hess and John Dubelko. Any money not used will go into the general donations line item when appropriate.
