

02-03-2021 Member Meeting

Agenda

Introduce new members

President's comments:

- Reminders:
 - Everyone must wear a face mask at ALL TIMES when they are inside a building.
 - No more than 3 people to a large room. Classes can have 4 (instructor and 3 students). Maintain a social distance of at least 6 ft.
 - Current associates can have door rights until Mar 1st if they have taken new member orientation and at least 1 red tool class.
 - We are would like to bring back small classes. Please consider helping teach a class.
- Things that have not changed:
 - The space may NOT be used;
 - for social gatherings,
 - for group recreational activities,
 - as a substitute for a home office, work from home, or remote office.
 - In many cases, the sites will be used for mask, face shield, or other pandemic support activities, and those activities will be given priority.
 - We have provided hand sanitizer and sanitizing wipes for use in the facilities and request that each member wipe down any parts of the facility used before and after their use.
 - If you are an associate member requiring access, please send an email to AugustAccess@makersmiths.org so we can set you up on the August smart lock. We will need your full name, cell phone number, and the first date you plan to visit the space.
 - If you must drop your membership for financial reasons let us know. We maybe be able to work something out. Send an email to info@makersmiths.org
