

09-07-2016 Meeting Notes

- 46 Members
 - 0 new in last 7 days
 - 1 new in last 30 days
 - 5 Associates
 - 4 Corporate Members / 3 Active
 - 23 Paying Members (Full or Associates)
 - 251 Contacts in Database
 - \$3,150 August income thru Wild Apricot
-
- \$1,745 of \$35,000 goal on gofundme page (comments: hard to find the page)
 - Read Tom Hill's email status report on P'ville (slow but sure progress, working thru town requirements, have key for tours, working on utilities, need help with logistics)
 - Brad gave a status report on King St (may be on hold for six months due to owner requirements)
 - Pat heading to Norfolk to pick-up robotic arm which was donated to us by 757 makerspace
 - Pat wants to know if we should continue 1st Friday table efforts (comments: need better signage and a power source for displays --> use Darien's house power?)
 - Pat sez K2M and BAE will be contributing \$5,000 each this month for ongoing operation (not for P'ville or King St.)
 - Anyone interested in Facebook page? Brad is owner of that page & Tom Hill is contributor. Open to contributions of material . . . anyone?
 - Bob inquired about Arc34 integration with Makersmiths
 - Brad / Ryan / Sam have started a new product development company and will soon do development at cost for members
 - May be using this space, but mostly working out of Sam's garage
 - Mike W. asked that Dave Painter empty black & yellow bins and bring back to space for member storage bins now that member storage shelves have been built.
 - John D. mentioned that he's got 4 laser trainers lined up to be able to due regular classes. Coordination meeting tomorrow (9/8).
 - Mike asked what is operational plan for P'ville --> Tom Hill is P.O.C., ask Tom
 - Brad is scheduling B.O.D. meeting in early October.
 - Brad is going to do CNC classes soon on Roland and OX (as soon as he gets eStop buttons fully working)
