### Discussion items

| Time | Item   | Who | Notes   |
|------|--|-----|---|
|      | Approve previous meeting minutes                               |     | Accepted as presented   |
|      | New Chair  |     | Chuck Whitacre - Board Approved for Chair at 10 27 Board meeting - Welcome and thank you Chuck!   |
|      | Curriculum Committee   |     | A curriculum committee was discussed at the October meeting. Updates? Some traffic recommending that be a subcommittee under Scheduling Committee. Marketing Committee will support.  |
|      | Analytics review   |     | Jessee and Jonathan - No presentation   |
|      | Hackathon update   |     | No news   |
|      | Slack Channel  |     | Should we thin out unused Slack channels? Does Marketing/Social Media subcommittee take over management? IT Committee?  |
|      | Flyers/Brochures   |     | We should undertake an effort to review the entire thing with a marketing eye, and determine if any additional changes are required. Suggestions include: Ceramics - change to Ceramics and Glass? (Glass limited to slumping and fusing I know, but glass work of this type is quite popular.) Any chance we could add a blurb about Blacksmithing? It seems to be real popular and a big draw Jim? Combine Metal Shop, Welding, and Blacksmithing into one section? - Jim? The three things that were effective about the brochures at the Bluemont Fair were the Open Houses, the maps, and the membership information. The one question we got repeatedly was about classes. Add Open House Hours to our directional/map cards Frame Shop? Other ideas? Specialized area brochures or web sub-pages with images? Jessee? Website subcommittee discussion? This can be a future item, just getting it on the radar here. |
|      | Demo Days/Monthly Open<br>Houses/Fairs/Community<br>Activities |     | September was good, October was not. Promote on Facebook? Other promotion ideas.     Mitre event  |
|      | Makersmiths in a box   |     | Leather logo needs to be sewn back on to tablecloth   |

Do we actually require contact info for tours /open houses? Classes? What will we do with this info?</li> <li>Contacts subscription form? What is the difference then between Contacts and Guest Subscribers?</li> <li>Hand out cards/flyers at open houses inviting people to take the next step and sign up for Guest Subscription or a Membership?</li> <li>Do we have Waivers for all members? Can we make this part of the sign-up process?</li> <li>Clean up the Wild Apricot data and archive the unsubscribed members to reduce our contact usage.</li> <li>Do we send too many emails? Should we have a weekly summary email to Guests, rather than all the individual Event Announcements.</li> </ul> |
